

Today, 11 more young lives will be destroyed by the news that they have cancer.

Young cancer patients' education and relationships can suffer. Fear, anxiety and confusion take over. Being in and out of hospital is the new norm. And watching friends moving on with life, as they struggle to keep up, shatters their confidence.

We get them back on track. But we're still only reaching two out of three children and young people across the UK. You can help by setting up a regular tax-free gift direct from your salary.

Why give as you earn?

To continue our fight for young lives against cancer, your support is vital. Payroll Giving is a simple, easy way for you to help.

Payroll Giving allows you to donate directly from your pay tax free. This means if you give £10 a month to CLIC Sargent, it'll only cost you £8 if you're a basic rate taxpayer. If you pay a higher rate of tax, £10 a month will only cost you £6. But in each case, CLIC Sargent would still receive £10.

It's easy to set up. Simply fill in the form and post it back to us using the envelope provided. We'll do the rest. You can also sign up online at clicsargent.org.uk/payrollgiving or by speaking to your HR department.

You can change your donation at any time by informing your payroll department.

How your money can help

£5 can help children feel less isolated by paying for two copies of Shout Out!, CLIC Sargent's magazine for 7 to 13-year-olds.

£8 can help a child prepare for their treatment by paying for half an hour with a CLIC Sargent Play Specialist.

£10 can help a family deal with the emotional and financial burdens of cancer by paying towards an hour of support from our specialist care team.

£15 can help a young person keep up with their friends by paying for a CLIC Sargent Nurse to spend half an hour arranging for treatment closer to home.
