

YOU'RE ALL KINDS OF AWESOME!

Thanks for being on our team. I WILL RAISE: £ _____

That's one impressive fundraising target you have there. You can do it, but you don't need to do it all at once. Let's break it down and get a plan together and soon you'll be waving at your target as you speed past it.

My fundraising could pay for:

ACTIVITY	DATE	TARGET	£'s RAISED
			
			
			
			
			

Things to remember:

Celebrate good times. It's a marathon not a sprint and planning rewards will keep you going!

When I reach £ _____ I will celebrate by _____

When I reach £ _____ I will pat myself on the back by _____

Fundraising top tips:

1. Set up a JustGiving page, add a story about why you're fundraising, detail what you'll be doing and keep it updated with pictures of your training (and link your Strava if you're taking on a physical challenge).
2. Send a link to your JustGiving page to your friends, family and colleagues, share it on social media, and add it to your e-mail signature.
3. Give people plenty of notice of your activities, and remember to thank them for supporting your fundraising.

Fundraising Activity Ideas:

- Hold a quiz evening
- Open a tuck shop at your workplace
- Ask local shops to host a collection tin
- Do a day of sponsored dares
- Pack bags at a local supermarket
- Hold a competition on social media
