

CAN YOU GUESS MY FINISH TIME?

YOUNG LIVES
vs CANCER

HOW TO PLAY

- Enter your name and the event you are taking part in overleaf
- Ask your friends to pay a small donation to take a guess at your finish time – £2.50 per guess would raise more than £175
- Sponsors write their name and guess in one of the squares in the grid
- After your event, the sponsor whose guess is closest to your actual finish time wins a prize
- The prize could be a percentage of the donations, a prize donated from a local business or something you've purchased yourself. Remember to be upfront about the prize from the start
- Send the donations in to us and then add the amount raised to your fundraising total.

HOW YOUR MONEY HELPS

We don't receive any funding from the government, so we fully rely on the generosity and kindness of people just like you. Together, we can help families face everything cancer throws at them.

- £22** could pay for a Young Lives vs Cancer Big Bag, given to families when their child is first diagnosed with cancer. They contain items such as toiletries, a teddy, a thermal mug, Young Lives vs Cancer information booklets and much more
- £38** could pay for a night in one of our Homes from Home. Our Homes are a free place for families to stay close to principal treatment centres when their child is going through cancer treatment
- £100** could pay for a Young Lives vs Cancer registration grant. To help with the immediate costs of cancer
- £182** could pay for a Young Lives vs Cancer social worker for a day. Our social workers are experts in helping families face everything cancer has to throw at them
- £430** could fund our Information Service for one day, providing young cancer patients, and their families, with expert advice on how to cope with childhood cancer.
