

# VOLUNTEER WITH YOUNG LIVES VS CANCER

## Role Title: Event Photographer

### Why we need you

Are you passionate about photography and making a difference in the lives of children, young people and families facing cancer? We want more people to understand our work and are looking for volunteer photographers who can join the team. By documenting our events, activities, and special moments, you'll play a crucial role in raising awareness and support for our mission to fight childhood cancer. Your photographs will not only tell powerful stories but also help us connect with our supporters and the community, making a lasting impact on the lives of those we serve.

### What you'll be doing

- As one of our Volunteer Photographers you will be offered opportunities within reasonable travelling distance to your location on an ad hoc basis
- We will send you a full brief of the activity and the imagery needed, and provide you with a Young Lives vs Cancer t-shirt and an ID badge to make sure you're recognisable as our representative
- You will need to be able to send us the photos as soon as possible after the event
- Your photos will be used in marketing/promotions, to share stories, to thank supporters, and to raise awareness of our important work. The photos you create will be fully credited to you.

### What skills or experience you'll need

- Lots of enthusiasm and an interest in capturing moments that showcase volunteer activities and impact
- You will need to have your own photography equipment
- You need to be 13 or over to join us in this role.

Please note we have specific policies and procedures relating to protecting and supporting young volunteers. For this opportunity if you are aged under 18 years you will need a parent/guardian to accompany/supervise you when you volunteer.

### What we'll give you

- The chance to be part of a team of photographers
- Out of pocket expenses will be reimbursed in line with our expenses policy
- We'll give you all the support, information and materials you need to make sure you are ready for the day
- The opportunities to take part in our other fun and rewarding volunteering opportunities.

## **If you'll need a criminal records check**

Not for this role, but we will ask you for some basic personal details and you will need to provide two references (one professional and one character) so we can register your volunteering.

**Young Lives vs Cancer is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment**
